- (3) The concerned Import Control Authority shall make an endorsement under seal and signature on the IRC of each importer indicating the value ceiling of annual import and the rate of renewal fees applicable in each case.
- (4) For renewal of registration certificate, the registered importers of all categories shall submit two copies of application in writing to the concerned Import Control Authority indicating the category stated at sub-para (1) in which they intend to be classified along with original copy of IRC with renewal book and copy of Treasury Chalan of renewal fees paid against the concerned category to Bangladesh Bank or, where there is no branch of Bangladesh Bank, to any branch of Sonali Bank under the Head of Account “1/1731/0001/1801”.
- (5) Importers of all categories may renew their IRC through their respective nominated banks.
- (6) The importers shall pay renewal fees in cash at the rate prescribed for the said category to the nominating bank against receipt and submit application along with original copy of IRC.

- (7) The banks shall deposit the money received as renewal fees to the Bangladesh Bank or, where there is no branch of Bangladesh Bank, to Sonali Bank under the Head of Account "1/1731/0001/1801" separately.
- (8) The banks shall, in turn, make an endorsement under seal and signature on the IRC of the importer indicating the value ceiling of overall annual import and the rate of renewal fee applicable in his case and return the original copy of IRC to the importer concerned.
- (9) The nominated bank shall keep with it one copy of the importer's application and send the other copy to the concerned Import Control Authority along with original copy of treasury chalan regarding payment of renewal fees and separate lists of importers of different categories within first week of each month.
- (10) Renewal fees for the concerned financial year may be paid by the importers within 30th September of that year without any surcharge.
- (11) Any importer intending to open LC for the purpose of import before the date mentioned in sub-para (10) shall be required first to pay renewal fees properly for the concerned financial year at prescribed rate.
- (12) Importers failing to pay renewal fees within the time limit mentioned in sub-para (10) shall, in addition to arrear renewal fees, have to pay surcharge at the following rates, namely:

Time limit	Amount of surcharge
Surcharge for delay for a period of one year or less	Tk. 500
Surcharge for delay for a period exceeding one year but not exceeding two years	Tk. 1,000
Surcharge for delay for a period exceeding two years but not exceeding three years	Tk. 2,000
Surcharge for each next year after third year	At a double rate of the previous year

- (13) In case an importer already registered in one category intends to be classified into a higher category, he shall pay renewal fees for the balance amount as per the rate applicable for the relevant higher category in accordance with the procedure mentioned in sub-paragraphs (4), (5) and (6).
- (14) The bank shall make necessary amendments on the IRC of the importers concerned and send to the concerned Import Control Authority one copy of the importer's application along with original Treasury Chalan showing payment of additional amount of renewal fees.

- (15) No importer shall be allowed to open LC in excess of the value ceiling of annual import applicable for him.
- (16) The importer concerned and the bank shall be equally responsible for any violation of the condition of sub-para (15).
- (17) The sponsoring Authority while sending recommendation to the Chief Controller of Imports and Exports for issuance of IRC in favour of a new industrial unit shall clearly mention the category under which annual maximum value ceiling the concerned industrial unit is to be registered.
- (18) Indentors and exporters shall pay registration and renewal fees at the following rates, namely:

Initial registration fees		Annual renewal fees
Indentor	Tk. 40,000	Tk. 20,000
Exporter	Tk. 7,000	Tk. 5,000

- (19) Indentors shall pay renewal fees to Bangladesh Bank or, where there is no branch of Bangladesh Bank, to any branch of Sonali Bank under the Head of Accounts "1/1731/0001/1801" and send the original copy of the Treasury Chalan along with original copy of IRC with renewal book to the concerned Regional Import Control Office for record and verification.
- (20) Indentors may pay registration and renewal fees in cash to their respective nominated banks against appropriate receipt.
- (21) The banks shall, in turn, deposit the received amount separately with the Bangladesh Bank or, where there is no branch of Bangladesh Bank, with Sonali Bank under the Head of Accounts mentioned in sub-para (4) and send the original copy of the Treasury Chalan to the respective regional office of the Import Control Authority for record and verification.
- (22) Exporters shall deposit their respective renewal fees with the Bangladesh Bank or, where there is no branch of Bangladesh Bank, with Sonali Bank under the Head of Accounts mentioned in sub-para (4) and send the original copy of the Treasury Chalan along with original Export Registration Certificate to the concerned regional office of the Import Control Authority in the first week of every month for endorsement of renewal fees.
- (23) Indentors and exporters may pay renewal fees for the concerned financial year within 30th September of that year without any surcharge.

(24) Importers failing to pay renewal fees within the time limit mentioned in sub-para (23) shall, in addition to arrear renewal fees, have to pay surcharge at the following rates, namely:

Time Limit	Indentor	Exporter
Surcharge for delay for a period of one year or less	Tk. 1,000	Tk. 500
Surcharge for delay for a period exceeding one year but not exceeding two years	Tk. 2,000	Tk. 1,000
Surcharge for delay for a period exceeding two years, but not exceeding three years	Tk. 3,000	Tk. 1,500
Surcharge for each year after third year	At a double rate of the previous year	At a double rate of the previous year

- (25) All concerned banks shall send a list of those indentors who have paid renewal fees to the concerned regional office of the Import Control Authority within 1st week of every month.
- (26) Application of renewal of registration certificate by the importers, exporters and indentors who fail to pay renewal fees for a period exceeding three years shall be disposed of by the Chief Controller of Imports & Exports on the merit of each case.
- (27) Registration Certificate Renewal Book- All registered importers, exporters and indentors shall have to obtain a Registration Certificate Renewal Book against the registration certificate for endorsement of information relating to the renewal.
- (28) An amount of Tk. 1,000 (One Thousand) as fees for each renewal book shall have to be deposited through Treasury Chalan under Head of Accounts "1/1731/0001/1801".

(5) BEZ and EPZ Authority shall prepare a list of goods (on the basis of N.O.C. from the NBR) required to be procured from the Bangladesh Customs area for use in the BEZ and EPZ area and get the same approved by the Ministry of Commerce. Any correction in, or amendment to the said list may be made in accordance with the same procedure. Industrial units situated in the BEZ and EPZ area shall pay in convertible currency, out of their own foreign currency accounts, the cost of goods procured from the Bangladesh Customs area as per the said list. BEZ and EPZ Authority shall issue Pass Books in favour of industrial units situated in the EPZ area indicating therein the amount in Taka upto which goods can be procured locally on a yearly, half yearly or quarterly basis. The BEZ and EPZ Authority shall determine the proforma of the aforesaid Pass Book and the requisite Accounting System in consultation with the Customs Authority. When the value ceiling mentioned in the Pass Book shall be exhausted the BEZ and EPZ Authority may endorse a fresh value ceiling in the same Pass Book or issue a new Pass Book.

(6) BEZ and EPZ Authority shall issue necessary "In-Pass" and "Out-Pass" for machinery and equipment which are required to be brought out of BEZ and EPZ area for the purpose of repair. On the basis of such passes the Customs Authority, after making necessary entries in appropriate register, shall allow movement of machinery and equipment out of the EPZ area for the purpose of repair and into the EPZ area after repair. However, the documentation and accounting procedure for such outward and inward movement of machinery and equipment shall be determined by the EPZ Authority in consultation with the Customs Authority.

16. Applicable conditions for import of food for human consumption.—(1) In case of import of milk, milk food, milk products, edible oil and other food goods produced in any country, test of radioactivity levels present in those goods is mandatory. In this case, a certificate from competent authority recognized by the government of the exporting country is to be submitted to the custom authority with other import documents. In case of import of milk and milk products, a certificate issued by the competent authority of the exporting country mentioning that these products are free from Added Melamine, the cows from which the milk originates have not been given Estrogenic Hormones and Hormone growth promotants (HGP) treatment and the existence of the level of heavy metal are in accordance with Codex Standards, must be submitted to the customs authority by the importer. It is to be noted that test of radioactivity levels of vegetables seeds and grains, which may be used as food directly is also mandatory.

- (2) In case of import of food goods from any country, the shipping documents must be accompanied by radioactivity-test reports from the concerned authority of the exporting country indicating the level of Cs-137 found in such radioactivity-test in each kilogram of food goods shipped. In addition, a certificate to the effect that the goods are fit for human consumption shall also be required:

Provided that, in such case, collection of representative samples of such food item from on board ship at the port of loading and despatch thereof shall not be necessary.

- (3) The following procedure shall be applicable in the matters of radioactivity-test of food goods to be imported from any country, as:—

- (a) Prior to shipment of the aforesaid item(s) the inspection agent of the supplier or buyer/consignee shall make necessary arrangement for the test of radioactivity levels for such goods;
- (b) Prior to the arrival of a ship carrying such goods at a Bangladeshi port, the buyer or consignee or his inspection agent shall make necessary arrangement for sending by courier the certificate regarding radioactivity-test to the concerned Customs Authority;
- (c) No goods, the radioactivity level of which is above the acceptable limit shall be shipped;
- (d) In case of import of food goods, which were, produced neither in any European country nor packed/ tinned in or shipped from the third country submission of the aforesaid certificate about radioactivity-test to the Customs Authority by courier service shall not be required:

Provided that, a report on radioactivity-test of importable food goods mentioning the level of Cs-137 found per kilogram of the importable item concerned is to be submitted; and

- (e) A general certificate to the effect that the goods are fit for human consumption must be enclosed with the Bill of Lading(B.L.).

- (4) Only after satisfactory fulfillment of the conditions laid down in sub-para (2) and clauses of sub-para (3) above the Customs and the Port Authority shall allow the unloading of the concerned goods from the ship to the jetty.

(5) On arrival of a ship carrying the aforesaid goods at a Bangladesh Port—

- (a) The Customs Authority shall collect the required number of samples of the goods carried by the ship in presence of the importer's representative and the port authority (samples are to be collected from the port area) or the master of the ship (in case special appraisalment is to be made while the ship is still at the outer anchorage or mooring) and shall properly pack the samples and attach to it a tag made of hardboard as per proforma given by the Bangladesh Atomic Energy Commission;
- (b) The tag so attached shall bear the signatures of all those who were involved in the collection of the sample *i.e.* the representative of the customs authority, the importer's representative and the representative of port authority and the master of the ship;
- (c) After packing and tagging the samples as mentioned above, the Customs Officer concerned shall send it to the customs samples room;
- (d) The Customs officer in charge of the sample room shall keep proper record of the samples and hand over the same to the Officer/ Staff of Bangladesh Atomic Energy Commission against appropriate record and signature;
- (e) After receipt of the samples in the Laboratory, Bangladesh Atomic Energy Commission shall within twenty four hours, send to the Customs Sample Room their report on the result of examination of the samples:

Provided that, in case of collection of samples after office hours the customs officer concerned shall keep the same in his own custody and hand it over to the samples room the next day immediately after the opening of office;
- (f) The representative of Bangladesh Atomic Energy Commission shall on receipt of information, collect such sample from the Sample Room on the same morning and shall make arrangement for sending reports to the Sample Room after proper examination of the samples;
- (g) The representative of Bangladesh Atomic Energy Commission shall collect samples from the sample room twice a day *i.e.* once in the morning and again in the afternoon.

- (6) If on test of sample(s) of the consignment by the Bangladesh Atomic Energy Commission, it is found that the consignment contains radioactivity level above the acceptable limit, the consignment shall not be released and the concerned exporter/supplier shall be bound to take it back at his own expense.
- (7) The testing procedures described at sub-paragraphs (3), (4) and (5) above shall also be applicable in case of import of milk, milk food, milk products, fish product , edible oil and other food goods, even when these have been produced in one country and packed/ tinned in or shipped from another country.
- (8) The condition laid down in sub-paragraphs (3), (4), (5) and (6) shall be mentioned in the concerned Letters of Credit/ Purchase Orders.
- (9) The Customs Authority shall, in the usual course, release the goods, only after getting the Clearance Certificate(s) from the Bangladesh Atomic Energy Commission certifying that the radioactivity level found in the imported food-stuff is within the acceptable limit.
- (10) Notwithstanding anything contained in sub paragraph (1) and (9), Radioactivity-test for palm oil, palm olein and RBD palm stearine produced in Malaysia or Indonesia and imported or to be imported from Malaysia, Indonesia and Singapore shall not be required:

Provided that, Bangladesh Atomic Energy Commission (BAEC) shall collect samples, for radioactivity-test of these item(s) from the market from time to time and this policy shall be liable to change if, on test of such sample(s) by the BAEC it is found at any stage that the goods contain harmful levels of radioactivity.

- (11) Test for determination of purity of the imported RBD palm stearine, by the Bangladesh Standard and Testing Institution (BSTI)/Bangladesh Council of Scientific and Industrial Research (BCSIR) is obligatory. For this purpose, the Customs Authority shall collect the required number of samples of the goods carried by a ship in presence of the nominated officer(s) of the Port Authority and the importer or his representative. The Customs Authority shall seal the sample in their presence and send the same to the authorized officer of the Bangladesh Standard and Testing Institution/Bangladesh Council of Scientific and Industrial Research, Dhaka or Chittagong for conducting necessary test. The authorized officer of the BCSIR shall duly test the samples of such goods promptly and furnish expert report as to whether those samples of palm oil, palm olein or RBD palm stearine are in conformity with the description of the goods given in the import documents. BSTI/BCSIR shall then send such report to the concerned Customs Authority.

- (12) The concerned importer(s) shall bear all expenses incurred for the radioactivity-test of the above food goods imported or to be imported. The importers shall also bear the expenses relating to the test conducted by the Bangladesh Standard and Testing Institution/Bangladesh Council of Scientific and Industrial Research, of such RBD palm stearine.
- (13) Radioactivity-test shall not be necessary in case of import of cigarette, cigarette paper, pipe tobacco, whiskey, beer and other alcoholic beverages, concentrated essence, spices and medicine.
- (14) These procedures shall not apply to the food goods imported or to be imported, for which separate procedure has been prescribed by the Ministry of Food for testing radioactivity level. In these cases, the procedure prescribed by Ministry of Food shall be followed.
- (15) Acceptable limits of radioactivity for milk powder, milk food and milk products is 95 bq of Cs-137 per kilogram and that for other food goods is 50bq of Cs-137 per kilogram. The level of Cs-137 in an item shall be calculated in the state it reaches the port without being liquefied, concentrated or processed. In case of local goods, the level of Cs-137 in an item shall be calculated in the state it is marketed. The highest acceptable limit of radioactivity levels may be revised by the government from time to time.
- (16) In case of direct import of rice, wheat, other cereals and food stuff from SAARC, South-East Asia and Asia-Pacific Ocean countries, the provision of the above mentioned radioactivity-test shall be relaxable on fulfillment of the conditions mentioned below, namely:—
- (a) Imported rice, wheat, other food cereals and food stuff must be produced in SAARC or South-East Asian Countries and a certificate of origin, issued by the related Government/Approved Agency of the exporting country, shall be submitted, along with import documents to the Customs Authority;
 - (b) A certificate, issued by the Government/ Approved Agency of the exporting country, declaring that the standard & quality of the imported rice, wheat, other cereals and foodstuff are fit for human consumption and free from all harmful germs, shall be submitted to the Customs Authority;
 - (c) In case of import of easily perishable foodstuff such as, fresh fruits, fishes, vegetables etc. from SAARC countries, a certificate regarding radioactivity issued by the Government or Agency of the exporting country shall be submitted; and
 - (d) Import of frozen meat and sea food as perishable food goods may be stored temporarily under the importer's custody against bank guarantee determined by the customs authority.

- (17) Milk food: All kinds of milk food products including baby food with fat contents covered under H.S. Heading 04.02 or 19.01 and all H.S. Code classifiable there under shall be importable subject to the following conditions, namely:—

PROCEDURE FOR IMPORT ON JOINT BASIS

(See para-10)

1. Group by Commercial Importers.— Commercial importers have been allowed the facility of import on joint basis for the sake of economy. For this purpose subject to condition of this order, the group of the importers may be formed before or after registration of the LCA Form with the nominated authorized dealer bank; such importers having different nominated LC opening banks, desirous of importing their share in cash, loan, and credit or under account trade arrangement/counter trade arrangement on joint basis may do so in accordance with the procedure mentioned below:

2. The procedure of formation of groups to import joint-basis before registration of LC A form in the nominated recognized dealer bank.— (1) An importer shall submit the LC Authorization Form to his nominated bank in the usual manner duly filled in and signed along with a declaration—

- (a) that he has not applied in any manner to import his share for the current financial year individually and agrees to effect import of the same on joint basis under the group leadership of M/s..... (Name and address of the group leader with IRC No. and his nominated bank to be mentioned); and
- (b) that he undertakes not to make in any manner any claim whatsoever from the Import Control Authority in any matter arising out of default or dispute with the group leader of members of the group.

(2) Signature of the importer shall be verified by the authorized officer of nominated bank with date.

(3) The importer’s nominated bank after being satisfied that the LC Authorization Form, the declaration given by the importer and other required information are complete and correct in all respect, shall forward these papers to the nominated Bank of the group leader and shall certify on the body of the LC Authorization Form as under:

“We have no objection to allow the above mentioned group under the group leadership of M/s..... This importer is eligible to import of (name of item) for Taka.....”

*Seal and signature of the Authorized Officer
of the importer’s bank with date*

(4) The group leader shall submit LC Authorization Form in a similar manner. In addition of LC Authorization Form he shall also submit LC Application Form covering the total value of all the LC Authorization Forms of the group members including his own share. He shall also submit a declaration to the effect—

- (a) that particulars given in the LC Authorization Form are correct to the best of his knowledge;
- (b) that he has not applied, in any manner, to import his share for the current shipping period separately other than as a member of group; and that ----
- (c) that he has undertaken to act as the group leader for importation on joint basis for the sake of economy by the importers in the group (here group leader shall record the names and address and IRC Nos. of all the member including that of himself and their individual shares); and
- (d) that he undertakes not to make in any manner any matter arising out of default or dispute with members in the group and the signature of the group leader shall be verified by the authorized officer of his bank with date.

(5) The group leader's bank shall, after being satisfied that LCA Form and the declaration given by the group leader are complete and correct in all respects, certify on the body of the LCA Form as under:

“We have no objection to allow the above importer to act as group leader of the group..... members”.

.....

Seal and signature of the Authorized Officer
of the group leader's banks with date.

(6) After that Certified LCA form with all other LCA forms registration shall be completed in the Group leaders' nominated bank.

(7) After completion of registration of LCA form, the concerned bank shall send two copies of declaration and certified LCA form to the importer's concerned Import Control Authority for post checking.

(8) The eligible commercial importers belongs to the same nominated bank including all the branches who are interested to import under Cash or IDA credit, free loan or under credit share in the cases of Joint Basis import, the import procedure shall be same. The bank shall forward complete set of document outlined above, such as LCA form, declaration etc. to the Group Leaders nominated bank by endorsing necessary certification on the body of the LCA form and the group leader's nominated bank shall process the LCA form outlined as above and to complete the registration in the bank.

(9) The eligible commercial importers, who are interested to import on Joint basis under account trade arrangement/counter trade arrangement and tied loan or credit, shall submit their LCA form to their respective nominated Bank in the prescribed manner. In such cases they do not need any application for opening of L/C. The nominated bank on being satisfied that the LCA form is in order, shall forward all the copies of the same to the group leader's nominated bank after making necessary entries in the importers Registration Certificate. The group leaders nominated bank on being satisfied that the LCA form of group leader and group members are in order and found completed all formalities of import on Joint basis being done, the nominated bank shall transmit the LCA form of group leader and other members of the group to the designated bank along with the application form for opening of letter of credit for the total amount covered by individual LC authorization forms; the designated bank shall open letter of credit and endorse two copies of each LCA form to concerned Import and Export control office.

3. Procedure in case of formation of group for import on joint basis after registration of LCAuthorization Form.—

(1) In case of formation of group for import on joint basis after registration of LCA form, the importer shall submit LCA form in his nominated bank and he shall inform his bank in written or submit a declaration that he intend to make a group after registration of LCA form. The importers nominated bank after being satisfied that the LCA forms are found complete and correct in all respect shall register along with declaration and advise the importer to form a group or group(s) immediately.

(2) The importer shall be required to submit a declaration to their bank exactly same manner as laid down under para 2(1) of this Annexure while forming a group. Importers signature shall be attested by the authorized officer of his nominated bank. The said bank shall forward the entire document i.e. LC Authorization form and declaration to the group leaders nominated bank with certificate as laid down in the para 2(2) of this Annexure.

(3) The group leader shall also submit LCAuthorization Form and LC Application Form with a declaration as mentioned in para 2(3) of this Annex. The signature of the group leader shall be verified by the authorized officer of his bank with date and shall endorse required certificate on the body of LCA Form mentioned in para 2(4).

(4) The group leader's Bank shall then keep two complete sets of LC Authorization Forms, declaration of all group members and certificates issued by the different banks of the group members with complete set of LC Authorization Form including declaration and certificate issued in respect of group leader for opening of LC and forward other 2(two) copies of LC Authorization Forms along with complete set of papers (declaration and certificates) to the concerned Import Control Authority for post-checking. If group members belong to different Import Control Jurisdictions, complete set of papers shall be submitted to the concerned Import Control Officers of the group members for post-checking.

(5) Where the eligible commercial importers desirous of importing their share on joint basis are located within the jurisdiction of the same Import Control Authority and have the same nominated bank including all the branches of the banks within the jurisdiction of the same Import Control Officer, the procedure for import on joint basis shall be same as outlined above except that the different branches of the same shall forward the complete set of documents outlined above to the branch of the same bank which is the nominated bank of the group leader. The nominated bank of the group leader shall process the LC Authorization Forms in the same manner as outlined above.

(6) In case of import on joint basis under Account Trade Arrangement or Counter Trade Arrangement and tied loan or credit, the procedure as mentioned above in para 2(8) shall be followed:

4. In both cases of the formation of group, as soon as LC is opened and transmitted to the foreign supplier, the nominated bank of the group leader shall endorse the group leaders IRC as the case may be and advise the concerned Import Control Authority or Authorities and the respective banks of the members of the group about the particulars of the LC with individual share of each member of the group.

5. Group by Industrial Importers: In case of import by industrial units on joint basis, they should nominate a group leader and request their nominated bank to forward their LC along with other relevant papers to the nominated bank of the group leader for opening of LC in accordance with the procedure outlined under para (2) and (3) of this Annexure and the group leader's nominated bank after verification of the LCA Form shall open Letter of Credit on joint basis and endorse the LCA Forms accordingly.

6. Importers submitting LCA Form for opening of LC or effecting import on joint basis in violation of the provisions of this Order shall be liable to punishment as per provision of this Order.
